EQUAL OPPORTUNITY AND NONDISCRIMINATION:

All providers must comply with WIOA's Equal Opportunity and Nondiscrimination provisions which prohibit discrimination on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, political affiliation or belief, or, for beneficiaries, applicants, and participants only, on the basis of citizenship status or participation in a WIOA Title-I financially assisted program or activity.

SCOWB LEP Plan Process:

Reasonable Steps to Ensure Meaningful Access for LEP Individuals

The SCOWB requires that Title 1 grant recipients take reasonable steps to ensure that LEP individuals have meaningful access to programs and activities. Reasonable steps (29 CFR Section 38.9(b)(1)) must include, but are not limited to, the following:

- Conducting assessment of an LEP individual to determine their language assistance needs.
- Providing oral interpretation or written translation of both hard-copy and electronic materials, in the appropriate non-English languages, to LEP individuals.
- Conducting outreach to LEP communities to improve service delivery in needed languages.

SCOWB requires that every program delivery method, whether it be in person, electronic, or by phone, conveys in the appropriate language how an LEP individual may effectively learn about, participate in, and/or access any aid, benefit, service, or training available to them. As new methods for the delivery of information or assistance are developed, SCOWB will take reasonable steps to ensure that LEP individuals remain able to learn about, participate in, and/or access any aid, benefit, service, or training available to them (29 CFR Section 38.9(c)). SCOWB Will use sources available on LEP.gov along with sources provided by other partner agencies such as Oklahoma Employment Security Commission's access to "Language Line" and "I speak" cards which are available for download for free at www.lep.gov as well as at

Language Assistance Services

Language assistance generally comes in two forms: oral interpretation or written translation. SCOWB and Title 1 grant recipients will ensure that above all, these services are free of charge and provided in a timely manner. An LEP individual must be given adequate notice about the existence of interpretation and translation services and that they are available free of charge. For LEP individuals who enter an Oklahoma Works (One-Stop) Center, language assistance services must be timely, and with adequate notice, where feasible. Language assistance will be considered timely when it is provided at a place and time that ensures equal access and avoids the delay or denial of any aid, benefit, service, or training (29 CFR Section 38.9(d) and (e)).

Interpreter Services

SCOWB shall not require an LEP individual to provide their own interpreter. SCOWB and Title 1 grant recipients shall not rely on an LEP individual's minor child or adult family or friend to interpret or facilitate communication, except for the following circumstances:

- In emergency situations while awaiting a qualified interpreter;
- When the information conveyed is of minimal importance to the services to be provided; or;
- When an LEP individual specifically requests that an accompanying adult provide language assistance and they agree to provide assistance to the individual. SCOWB permits an accompanying adult to serve as an interpreter for an LEP individual. However, there must be a detailed case note documented in the case file of the LEP individual's decision to use their own interpreter.

When precise, complete, and accurate interpretations or translation of information and/or testimony are critical for adjudicatory or legal reasons, SCOWB can still provide their own, independent interpreter, even if an LEP individual wants to use their own interpreter as well. This also applies in cases where the competency of the interpreter requested by the LEP individual is not established. (29 CFR Section 38.9(f)).

Language Services

For languages spoken by a significant portion of the population eligible to be served or likely to be encountered, SCOWB will translate vital information in written materials into these languages. SCOWB requires that these translations be readily available upon request in hard copy or electronically. Written training materials offered or used within employment-related training programs are excluded from these translation requirements (see definitions section). However, in all cases, SCOWB will take reasonable steps to ensure meaningful access for LEP individuals. One applicable option for translation requests is found at: careeronestop.org.

For languages not spoken by a significant portion of the population eligible to be served or likely to be encountered, SCOWB will take reasonable steps to meet the particularized language needs of LEP individuals who seek to learn about, participate in, and/or access the aid, benefit, service or training that is available to them. Vital information may be conveyed orally if not translated.

SCOWB will include a Babel Notice, indicating that language assistance is available in all communications of vital information. This includes letters or decisions in hardcopy or electronic formats. (29 CFR Section 38.9(g))

As required by 29 CFR Part 38, once a recipient becomes aware of the non-English preferred language of an LEP beneficiary, participant, or applicant for aid, benefit, service, or training, the recipient must convey vital information in that language. (29 CFR Section 38.9(h))

SCOWB Framework for meaningful access to LEP individuals includes:

- Policy documents, employee manuals, employee training material, posters, web sites, outreach material, contracts, and electronic and information technologies, applications, or adaptations will be made available upon request.
- Language assistance services in the SCOWB area include:

 - Online translating software
 - Rapid response is available in Spanish upon request
 - Marquees provide slides in Spanish
 - OkJobMatch can be translated into approximately 106 different languages by simply selecting the language you wish at the bottom of the home page.
- SCOWB One-Stop Operator (OSO) will provide training for workforce system staff and will have oversight for the implementation of the LEP plan. The Operator will provide workforce system staff with guidance regarding the implementation of the LEP Plan and serve as a resource during the implementation phase.
- SCOWB ensures quality control, including monitoring, a complaint process, addressing complaints, and obtaining feedback from stakeholders and employees. These requirements of the LEP Plan are covered in the SCOWB Grievance policy and monitoring is included in the SCOWB Monitoring Schedule.
- SCOWB requires the Title 1 providers to document provision of language services through self-attestation, detailed program notes and the Individual Employment Plan (IEP)/Individual Service Strategy (ISS).
- The LEP plan will be revisited annually to reflect any of the following:
 - New recommendations and government guidance.
 - Changes in the Local Area's operations as well as the experiences and lessons learned.
 - Changing demographics.
 - Stakeholder and beneficiary feedback
- The babel notice will be added to policy and all forms that will be signed by the customer.
