POLICY:

All recipients of Workforce Innovation and Opportunity Act (WIOA) funds, including Local Workforce Development Areas (LWDAs), contractors and service providers must implement policies and procedures to prevent and detect fraud, abuse and criminal activities involving WIOA Adult, Dislocated Worker, and Youth program funds. Additionally, sub-recipients must report allegations, suspicions and complaints of possible fraud, program abuse and criminal activities involving WIOA Title I-B Funds to the Oklahoma Office of Workforce Development (OOWD) and to U.S. Department of Labor (DOL) Office of Inspector General (OIG).

Internal controls must be in place to prevent the possibility of fraudulent activity within the organizations of the Local Workforce Development Boards and its subrecipients. However, if

the known or suspected activity of fraud is related to the organization, this information should be immediately reported to the Oklahoma Office of Workforce Development (OOWD).

Standards of Conduct

Identification processes for violations of terms of conditions are required. A violation is considered evident when the following General Assurances are not met.

- A. Every reasonable course of action has been taken in order to maintain the integrity of expenditures of public funds and avoid favoritism, questionable activity or improper conduct.
- B. Federal funds have been administered in an impartial manner, free from personal, financial or political gain.
- C. Executive staff and employees avoided situations, which give rise to a suggestion that any decision was influenced by prejudice, bias, or special interest or personal gain.

Reporting Requirements

Incidents involving possible or suspected fraudulent or criminal use of WIOA Title I-B funds must be reported to the OIG by utilizing the online Submission Form at the Department's Incident Reporting System, found at the website: www.oig.dol.gov/hotlinecontact.htm, via telephone, or U.S. mail. Reports must also be sent concurrently to the Oklahoma Office of Workforce Development (OOWD).

Reporting procedures do not supersede the responsibility to safeguard WIOA funds by taking prompt and appropriate corrective action. Whenever the entity reporting the allegation of an incident believes that immediate action to prevent further financial loss or other damage is necessary, or recovery of funds or property may be impeded if immediate action is not taken, the reporting entity has the responsibility to take any action it deems appropriate, including contacting the local law enforcement agency.
