AARP Foundation SCSEP provides training, work search assistance, and job placement services to eligible low- income participants 55 years and older. Specifically, the program provides services that (a) foster individual economic self-sufficiency, (b) promote useful part-time opportuntiies in communicty service activities (subsidized), and (c) increase number of persons who may enjoy benefits of unsubsidiezed employment in both public and private sectors. Service responsibilities include:
o Assessment through our Virtual
Career Network (VCN) that includes assistive technology to remove barriers for workers and allow for seamless, universal, and remote access to education, training, and other workforce development services
o Counseling
o Case management
o Training (employability, specific, and OJE)
